Introduction

Amaryllis flower shop was established in 2002 by Bridget Clemence to offer a *modern*, fun and design lead approach to flowers.

Each wedding to us is *a unique occasion* and we take time with our customers, as we know how important it is that the flowers complement and enhance your special day.

At Amaryllis we offer you a free consultation to discuss your requirements. Each wedding is individual and designed *especially for you*.

If you are a bit bewildered by the choice of flowers, themes and colours, we can help and guide you. After all, one of the most important days of your life deserves an *expert florists* attention and planning.

The shop in Fishguard is the best place for consultations, as we can show you a selection of flowers and designs, but lets us know when you're coming so we can make sure a senior florist is available. Alternatively we can meet at your wedding venue to discuss your ideas.
