Here at Amaryllis we know that planning your wedding can be a very stressful and busy time, so let us help you. We have created some simple yet elegant, luxurious rose based wedding flower packages.

All you need to do is choose the package that best suits your requirements and choose your rose colour to match your wedding theme. You can add a touch of sparkle to your bridal bouquet or add an extra buttonhole or ladies corsage to your package.

Once you have chosen your package either drop us an email with your requirements or give us a ring in the shop, where one of our expert florists will discuss your big day with you.

Please ensure that you order your flowers with us at least a week before your wedding to ensure we have the correct flowers in stock for you.
